HELICOPTER TRANSFERS TO / FROM NORTH ISLAND

- Helicopter transfers are not included in the nightly rate and are to be booked with North Island at the time of reservation.
- All Helicopter transfers are operated by an external company, Zil Air, and therefore rates are subject to change without notice and are not controlled by North Island.
- The recommended time for clients to connect from an international flight to a helicopter transfer is around 2 hours. This allows for Fast Track assistance, baggage clearing and the possibility that the international flight may be delayed.
- Zil Air does not charge cancellation fees for flights cancelled timeously. However, they do reserve the right to apply a cancellation fee of 50% of the value should a booking be cancelled within the 36-hour period prior to the flight.
- In order to make a reservation for the helicopter transfers, arrival and departure details are required.
- Bookings to all other islands can also be made with North Island, please enquire for rates.
- All flights are subject to weather conditions and will be at the pilot's discretion. Please note that when departing North Island, you are required to be at Guest Relations 30 minutes prior to your departure time to ensure that there are no delays.
- On request, 2 pilots can operate a helicopter flight and dual control will be fitted on the aircraft. By adding an additional pilot, the total seat capacity is reduced and a surcharge will apply.
- Zil Air is in no manner associated with North Island and is a third party service provider. Their services are used at own risk and North Island will not be held responsible for any loss, damage or injury sustained as a result of any act or omission by Zil Air.

WEIGHT & LUGGAGE RESTRICTIONS PERTINENT TO HELICOPTER TRANSFERS:

From a costing and planning perspective, it is vital we obtain passenger weights at the time of quoting. Zil Air operate the helicopter transfers using a EUROCOPTER EC 120 which seats a maximum of 4 guests per flight or a EUROCOPTER EC 145 which seats a maximum of 6 guests (including luggage). When calculating the number of passengers with luggage for a particular flight, taking standard fuel allowances, destination, distance and weather into account, Zil Air make the following assumptions:

- An adult male maximum weight cannot exceed 80 kg (176 lb.).
- An adult female maximum weight cannot exceed 60 kg (132 lb.).
- A child (10 years and younger) maximum weight cannot exceed 40 kg (88 lb.).
- Luggage allowance per passenger per flight cannot exceed 20 kg (44 lb), including hand luggage and camera equipment. Space is limited, therefore soft luggage is preferable to the rigid, bulky variety. **The maximum total weight allowed per helicopter transfer in the EUROCOPTER EC 120 is restricted to 325 kg (715 lb) and in the EUROCOPTER EC 1445 is restricted to 700 kg (1 540 lbs). Thus the total number and weight of passengers plus luggage on a transfer must be calculated as a combination of guest and luggage weight so number of passengers carried at any one time may vary and determines whether an additional helicopter is required.**
- Should you bring more than the allocated luggage allowance per person on the helicopter transfer, alternative arrangements will need to be made to get the excess luggage to/from North Island. At an additional cost, the luggage will either be transferred by helicopter or by boat.
- In certain situations, a surcharge may apply to the helicopter transfers. Please contact your travel consultant for details.

- The quoted helicopter price is approximate and subject to change at time of booking confirmation.

DEPOSIT & PAYMENT POLICY:

- The booking terms and conditions for any third party properties will vary from property to property. Should you require the booking terms for a specific property, please request these from your Reservations consultant.

CANCELLATION POLICY

Cancellation fees are levied when guests cancel confirmed reservations. The costs of the cancellation fees will escalate the closer the guest/s cancels to their confirmed departure date. Our penalties escalate from forfeiting the deposit to payment in full as follows:

- Should a cancellation be made more than 8 weeks before departure, the non-refundable deposit of 20% is forfeited.
- Should a cancellation be made between 4 weeks and 8 weeks, the deposit plus 25% of the price is forfeited.
- Should a guest cancel between 3 and 4 weeks prior to departure, 50% of the price is forfeited.
- Should a guest cancel between 2 and 3 weeks prior to departure, 60% of the price is forfeited.
- Should a guest cancel less than 2 weeks prior to departure, then 100% of the price is forfeited.

Where a deposit has been paid and the reservation is subsequently cancelled by North Island due to a failure to pay the balance outstanding, the deposit paid will be forfeited to North Island.

In the event that you cancel a reservation for any reason, such cancellation must be made in writing, or via any web enabled booking system to North Island (if the reservation was made online) and will only be effective upon written acknowledgement by North Island the receipt of the notification of cancellation. In such instance, you as the agent are essentially liable for the cancellation charges.

Should a guest fail to arrive or any cancellations are made after the departure date, North Island will be entitled to treat the reservation as cancelled without giving notice and 100% of the tour price as a cancellation fee will apply (including repatriation and any administrative fees incurred by North Island as a result of such cancellation, including but not limited to cancellations due to ill health or injury).

PRE-TOUR INFORMATION:

- We provide pre-tour information relevant to Seychelles and North Island, and this should answer most questions you might have regarding travelling with us.

PASSPORT & VISAS:

- Visitors to Seychelles must have a passport that is valid for at least 6 months beyond their intended departure date, together with onward travel documents, proof of accommodation and sufficient funds for the duration of their stay. Should the itinerary include more than one country, excluding the country of departure and return, a sufficient number of blank **visa** pages (not endorsement pages) in their passport is

required. The general requirement is at least 2 consecutive/side by side blank pages on entry for both visas and stamps. Should there be insufficient blank visa pages in the passport then entry into a country could be denied.

- Any applicable visas, costs and/or relevant documentation are the responsibility of the guest. They must please verify with the relevant consulate concerning visa entry requirements and, if extending their journey to other countries, the visa entry requirements for those countries need to be established as well.
- **Guests must ensure they have all necessary visas prior to departure from their home country (unless these can be obtained on arrival) as North Island, its staff, agents and operators cannot be held liable should entry be denied.**

PLEASE NOTE:

- Prior to confirming the booking, each guest must take out comprehensive travel, medical, cancellation, curtailment and default insurance for the duration of their trip.
- Due to the remote area in which we operate, it is vital that all guests are covered for emergencies and other unforeseen circumstances. We will not be held responsible for any guest travelling without insurance.
- The relevant cancellation policy applies should the guest fail to join or start their safari/journey for any reason, including airline delays or missed connections. Please ensure adequate travel insurance is in place for this eventuality.
- Due to the logistics of travelling to remote areas, we strongly recommend that all guests read the literature provided. Should there be any further queries, please feel free to contact your reservations consultant. (reservations@north-island.com).
